- Age represents the age a student turns in the 2024 calendar year.
- Education fees are billed over 12 months. However, final year 15-18 Year AS and/or IAQ students are billed the annual school fees over 10 months, not 12.

Education fees relate to the cost of the programme for an academic year (Montessori, Cambridge & IAQ) billed over a calendar year.

Cambridge and IAQ exits are separately billable programmes. Should a student be on both programmes, both programme costs will be applicable and pro-rated as the case may be.

Programme fees are not discounted /rebated further if a student completes their studies earlier in the academic year.

If a student prolongs their programme pathway beyond an academic year/calendar year then the following year annual programme cost will be charged monthly, over and above the current annual programme cost, until the student completes their submission/exam.

School fees are payable via debit order, in advance, and are to be received on or before the 1st of each month, unless paid annually in advance. Generation Schools is a cash free zone.

Two debit order dates will be available to parents to pay for school fees in advance, specifically the 25th and 1st.

Fees received after the 1st of each month will be subject to a late payment fee of R550 per month and interest on outstanding balances will be charged at Prime + 2% per month.

Should fees be outstanding in full or part for one or more months the child/ren may be suspended from school. Should fees be outstanding in full or part for two or more months the account will be handed over to debt recovery attorneys.

If any educational fees are outstanding- optional services such as aftercare and lunch as well as school sport, matches, camps, etc. may be ceased.

Payments to the school are required to be gross of transaction costs. Should a debit order be rejected, the account holder will be responsible for the associated transaction charges.

Please quote your 'Child Name & Surname' with your payments.

One school term's notice (3 months), in writing, is required before removing your child/ren from school, or payment in lieu thereof will be required.

Morning snack is not included in education fees. Morning snack is only included for lunch paying students.

Additional costs include but are not limited to external examinations, checkpoints, textbooks, coursework components related to Cambridge and IAQ's, remedial specialists, facilitators, invigilators, devices, calculators, elective extra-mural activities, senior's jacket and dance, camps, workshops, career advisement assessments, bus transport, uniforms, early care, lunch, afternoon snack, aftercare and holiday care.

IAQ costs relate to 120 credit programmes.

All IAQ programmes follow a suggested academic timeline but are asynchronous in nature, meaning that a student can progress at their own pace.
- New 2024 IAQ cohorts will be charged the 2024 fees. IAQ cohorts that commenced before 1 January 2024 will be charged R65,000 pa (8% pa) in 2024.
