1. Age represents the age a student turns in the 2027 calendar year.

2. Education fees are billed over 12 months.

Education fees relate to the cost of the programme for an academic year (Montessori & Cambridge) billed over a calendar year.

School fees are payable via debit order, in advance, and are to be received on or before the 1st of each month, unless paid annually in advance. Generation Schools is a cash free zone.

Three debit order dates will be available to parents/guardians to pay for school fees in advance, specifically the 15th, 25th and 1st.

Fees received after the 1st of each month will be subject to a late payment fee of R550 per month and interest on outstanding balances will be charged at Prime + 2% per month.

Should any fees be outstanding in full or part for one or more months, the school will apply its formal debt recovery procedures. Should internal debt management processes be unsuccessful, and in the event of persistent non-payment, the school will instruct its debt collection attorneys to institute legal recovery proceedings. Such non-payment will also constitute a material breach of the school's terms and conditions, which may result in suspension and/or termination of enrolment.

If any educational fees are outstanding, optional services such as aftercare and lunch as well as school sport, matches, camps, etc. may be ceased.

Payments to the school are required to be gross of transaction costs. Should a debit order be rejected, the account holder will be responsible for the associated transaction charges.

Please quote your 'Child Name & Surname' with your payments.

Owing to inter alia the existence of natural breakpoints in the academic calendar, resource and capacity planning in education services, and the difficulties in filling suddenly-vacant spaces during the year, one term's written notice (3 calendar months) is required if you decide to withdraw your child(ren) from school. Should you wish to withdraw your child from school on shorter notice for any reason whatsoever, you hereby accept that you will remain liable for the same fees in lieu of notice required but not given, and which you accept to be a reasonable cancellation penalty, alternatively early cancellation fee.

Morning snack is included in education fees for all phases (i.e. regardless of whether you opt in for lunch).

Additional costs include but are not limited to checkpoints, textbooks, remedial specialists, facilitators, invigilators, devices, calculators, elective extra-mural activities, camps, workshops, career advisement assessments, bus transport, uniforms, early care, lunch (6-12 phases), afternoon snack, aftercare and holiday care.

3. The annual levies (Resource and Innings & Outings) are payable in advance on or before 1 January every year.

The Annual Resource Levy for all Phases includes printing, paper, stationery, workbooks, art consumables, Montessori materials, teaching resources and the Student learning and information platform.

4. Lunch is optional in the 6-12 phases.

Snack and lunch are included as part of the academic offering for all students in the 0-6 phase, at no additional cost. Please refer to the welcome pack and family charter for further information relating to our food policy for all students.

Lunch is billed at a lower rate over 12 months and not at its actual rate over 9 school months, which means one calendar month notice to stop/pause is required.

5. Special dietary requirements for lunch and snack is charged at a separate fee i.e. vegetarian, vegan, gluten-free or dairy-free.

6. Aftercare and holiday care is optional in all phases. Please ensure your child/ren have adequate food to last the school day, including aftercare and holiday care.

Aftercare does not include holiday care. Holiday care is an additional cost and is billed termly.

Students collected after the finishing time will incur a fee of R150 per 15 minutes or part thereof.

Ad hoc rates will be applicable where a service has been used but not selected in advance on the Student learning and information platform.

7. Early morning care is billed monthly irrespective of the amount of days attended in a particular month.

No early morning care is offered during holidays. Holiday care closing time is 17h00 (not 17h30).

8. Early payment discounts are only applicable if the annual school fees (less the applicable discount) reflects in the Generation Schools' bank account on or before the specified date.

9. Foreign exchange students are required to pay all relevant fees termly in advance, including the registration and placement fees.

10. Sports, Arts, Cultural and Extra-Mural activities vary for certain phases- please inquire from the school for further information.

Elective Extra-Mural activities, swimming academy, school photographs and workshops are separately payable activities which will be facilitated via the Karri App, during the academic year.

Please inquire from the campus as to the finishing times of a particular phase.

11. The bus transport fee structure is published separately.

12. Billing options can be amended on the Student learning and information platform. Otherwise, all finance queries to be directed to the finance department, either to your specific finance administrator and/or accounts @generationschools.co.za.
